- I. Ms. Bradberry called the meeting to order at 5:30 p.m.
- II. Mr. Willis opened the meeting in prayer.
- III. Public Comments: Mr. Starr stated that there has been no discussion, no secret meetings, and no one has said anything about closing Sabine County EMS. Mr. Starr stated that the fact that he has been accused of trying to close the ambulance service is absolutely ridiculous. Mr. Starr stated that after what his family has done for this community, to have someone try to drag his name down is wrong.

Mr. Willis stated that, unfortunately, he did not hear about anything that has been going on until today. Mr. Willis stated that he does not know anything about it other than, in his opinion, Sabine County is going to have the hospital and ambulance service the way they are right now. Mr. Willis stated that Sabine County is going to have it that way until they run out of money or they run out of people.
- IV. Executive Session at 5:36 p.m.
 - 1. Discussion concerning Personnel.
 - 2. Discussion concerning Sabine County EMS Contracts.
- V. Return to open meeting at 6:40 p.m. Ms. Bradberry stated that there would be no action taken and the meeting would be adjourned.
- VI. Board meeting adjourned at 6:40 p.m.
